

WIREMAC COMBO

MANUAL COMB & WIRE BINDING MACHINE

The Wire & Comb Binding - TWO-IN-ONE! One Superior machine does the work of two!

With both **WIRE** and **COMB** punching dies on-board, this versatile & easy-to-use combo binder allows you to punch & bind both wire in 2:1 pitch and plastic comb in one single machine, without ever changing punching dies!

This exceptionally robust machine is brilliantly designed and built to last. Its all-metal construction and high quality internal components will provide the user with years of trouble free binding.

High end functionality such as full punch cancellation and margin control allows the user to bind in any format without fuss.
